

FALL KILL CREATIVE WORKS

June 2019

Dear Sponsor,

Because of the incredible support of our sponsors last year, we have been able to more than double our capacity to serve the community. Since January, we have hosted more than 2,000 people at the Poughkeepsie Trolley Barn for art exhibits, lectures, concerts, community gatherings, even a play. And that is just the Trolley Barn. We've been more active at The Glebe House with a historic barn loom, contemporary art exhibits, monthly Poughistoryphiles meetings, a burgeoning storytelling following, and a nascent history exhibit in the planning.

We've updated our name—Fall Kill Creative Works—to reflect a localized geographic draw and our broader creative endeavors. Clay Works is going strong, Textile Works has opened in the Trolley Barn, Print Works continues to be an anchor at the Underwear Factory, and Story Works is helping The Glebe House find its identity.

Our artisan education reaches Poughkeepsie youth and seniors; we serve people with special needs and limited access through our off-site programs with EPIC and MARC. We continue to serve dozens of people every month in one of our studios for Community Makers Day. This event attracts and entertains on average 45 adults and children, giving them the opportunity to learn and create using a variety of mediums for as little as \$0. Hands-on craft education is empowering and with your support, we can continue to have a dramatic impact on Poughkeepsie and the people in our region.

We have two outstanding events this year. Your sponsorship not only brings quality hands-on arts experience to all the people of Poughkeepsie, but it also gets your name out to the public and connects your organization with the great things happening in downtown Poughkeepsie right now! Please join us in this great work.
